## GREAT COACHING. GREAT CARE. IN WAYS UNEXPECTED!

Head Coach Matt LaFleur knows many things. Surgery, obstetrics and orthopedics? Well, he's working on those, too. Great coaching and great care. That's what Bellin Health's surgeons, physicians and staff offer 365 days per year.

Go to [youtube.com/BellinHealthSystems](https://youtube.com/BellinHealthSystems) or scan the code to watch the whole series.

From post-op press conferences to the operating room, see Coach as you've never seen him before.
