Happy 80th Birthday

Dad & Grandpa

Dad

Thank you for being there every day with just the love and guidance we have needed. You have given us the best things in life: your time, your care and your love. We truly are grateful to have you in our lives.

We love you with all our hearts.

What is a Dad?

A DAD IS SOMEONE WHO
wants to catch you before you fall but instead picks you up, brushes you off, and lets you try again.

A DAD IS SOMEONE WHO
wants to keep you from making mistakes but instead lets you find your own way, even though his heart breaks in silence when you get hurt.

A DAD IS SOMEONE WHO
holds you when you cry, scolds you when you break the rules, shines with pride when you succeed, and has faith in you even when you fail.

The best thing about having you as a Dad is my kids having you as a Grandpa.

Grandpas are there to help children get into the mischief that they haven't thought of yet.

Looking up at the stars and knowing we share the same world, near or far, makes our hearts as one. Dad

Happy Birthday, We Love You Very Much **Your Family - Dee & Dan, Deb, Terrance, Uriah, & Amaris**
