

County vaccine clinics scheduled

Grant County Health Department is offering COVID-19 vaccinations to all eligible individuals. Both initial series doses and booster doses are available by appointment only.

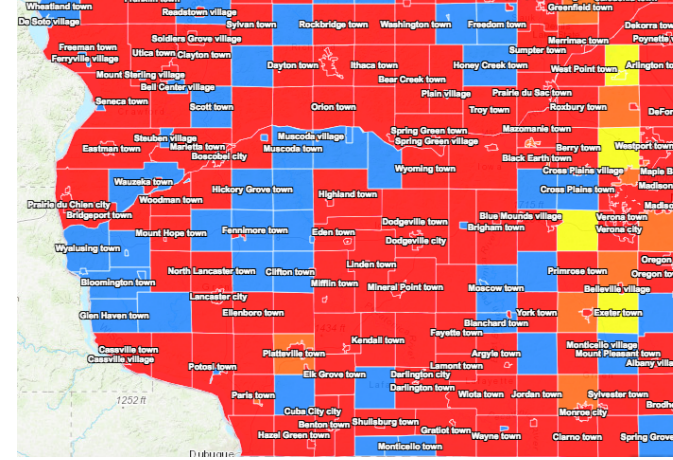

Two public clinics have been scheduled. The first clinic is Wednesday, November 3, 2021 from 1 pm until 4 pm. The second clinic is Thursday, November 4, 2021 from 2 pm until 5 pm. Both clinics will be held at the former Shopko location in Lancaster, WI (1625 US-61, Lancaster, WI 53813). The Shopko clinics are focused on Moderna vaccine offering initial doses and boosters to eligible individuals. Please bring shot records if you had previous doses to speed up the process. Call 608 723-6416 to schedule an appointment.

Pfizer and Johnson and Johnson (Janssen) vaccine are also available at the Health

Department. A limited number of appointments for COVID-19 vaccination are available at the Grant County Health Department located at 111 South Jefferson Street (2nd Floor), Lancaster, WI 53813 on weekdays from 8:30 am until 4 pm. Please bring shot records if you had previous doses to speed up the process. Call 608 723-6416 for more information.

Free COVID-19 (PCR) testing is also available Monday, Wednesday, and Friday at the former Lancaster Shopko location (1625 US-61, Lancaster, WI 53813) from 9 am until noon. No appointment is necessary for testing.

Additional COVID-19 clinics will be added to vaccinate others including children aged 5 to 11 years once authorized to do so later in November.
