AN ICY LOOK

The effects of racing in single-digit temperatures show in Jim Fieck's face after finishing the Wolf Tracks Rendezvous Ski Marathon on Saturday, Feb. 5, at Minocqua Winter Park. See page 33 for more Wolf Tracks Rendezvous photographs.

CORRECTIONS

On page 1 of the Tuesday, Feb. 8 edition of *The Lakeland Times* in an article regarding Oneida County forestry reviewing a wolf management resolution, committee chairman Jack Sorensen's name was misspelled in two instances. Additionally, the article cites the meeting taking place on Feb. 3, the correct date is Feb. 2.

On page 5 of the Tuesday, Feb. 8 issue of *The Lakeland Times*, the order in which subjects were named in a photo caption was reversed. Laura Lee, 104, was pictured with her niece Jeanne Fehrman (left) and grandniece Jennifer Hayes (right). *The Times* regrets the errors.
