HEROES HIKE FOR HOPE

Building a space for our community to come together

In addition to creating housing for Vets, 210 West Fulton Street: Building Hope is building a community room for Vets, our seniors and the community at large.

For many years Edgerton's local VFW Post 2708 and other Veteran groups have been without dedicated meeting space. VFW Post 2708 owned a "club" house in Veterans Memorial Park, but as years passed, maintenance costs grew to unaffordability, and VFW Post 2708 sold the property in 2010.

The community room will create a permanent home base for Veterans to reach out to Veterans with a completely ADA accessible meeting room, kitchen and a storage/display area to house documents preserving the history of those who served for our freedom. The commercial kitchen will also be used to support Outreach Hunger programs such as: holiday meals, summer Lunch in the Park, school breakfast club and more.

The new space will help fill a gap to provide a meeting space for seniors along with senior programming from Edgerton Outreach. It will be a place to gather, to check in with each other and will be available to the community at large. Perhaps you'd like to host a family function, card tournament, baby shower or other special event?

Plan to come to West Fulton Street on June 25 for the Heroes Hike for Hope Block Party(11:00 am - 2:00 pm). Additional details about the mission, including how to give a one time gift or a donation over time are available at: www.210WestFultonStreet.com
