

CHAIR AFFAIR AUGUST 11, 2022

Large crowds came out to the 2022 Chair Affair hosted by the Friends of the Downtown on August 10. The annual fundraising event has grown into a community-wide block party featuring music, food, a variety of vendors and fun for all ages.

This year's events included bounce houses and a dunk tank from Klingbeil's, food vendors including the Knights of Columbus cheese curd wagon, and crafts sellers. The focal point of the evening's activities was the Chair Affair auction with chairs decorated and donated by area residents which were auctioned off to raise money for the Friends of the Downtown activities.

While this was the first year without Jeff Miller, a longtime downtown promoter and the first president of the Friends of the Downtown. Miller died last month. It was announced that the organization will be raising funds to get a memorial bench placed in Miller's memory.
