

THANK YOU!!!

On behalf of the 2023 Lakeland STAR Golf Outing hosts and the Howard Young Foundation we'd like to thank all of our golfers, sponsors, reception attendees, partners, and volunteers for coming out to support the Fifth Annual Lakeland STAR Golf Outing. Your support of this event will help ensure the students of Lakeland STAR will continue to have the equipment and technology they need to make their curriculum state of the art. The event was a tremendous success and all dollars raised will stay here in the Northwoods to give Autistic children a chance at independent lives. You are truly making a difference! Thank you!

We hope fun was had by all and look forward to seeing you next year at the Sixth Annual Lakeland STAR Golf Outing! Date to be announced soon!

Your hosts, **Doug McCoy, Mike McCoy, Gregg Walker, Greg Nicklaus, Greg McCoy, Trig Solberg, Aldo Madrigrano, & Duane Foulkes**
