

It's the season of negative political ads, so here's ours...

...because **Leah Spicer** knows you are smart enough to see right through those ads, you think they are a waste of money, you are tired of them, and what you really want is a nicer Wisconsin for everyone.

Paid for by Spicer for 51st

Want to know my political agenda? It's the issues that matter most to you. So instead of running a negative ad, I invite you to fill this blank space with your concerns, top issues, priorities, struggles, and values. Then please share it with me by email, phone, mail, or social media. spicerforwisconsin@gmail.com
