**25 Month CD**  
**4 Year CD**  
**59 Month CD**

**4%**  
**Annual  
Percentage  
Yield (APY)**

The daily balance method calculates interest by applying a daily periodic rate to the principal in your account each day. The APY assumes interest on deposit until maturity. An early withdrawal penalty may be imposed on the amount withdrawn before maturity and may invade the principal. A withdrawal will reduce earnings. Certificates of Deposit (CD) are compounded and credited quarterly and at maturity. Minimum balance of \$10,000 to open on a 25 month CD and a minimum balance of \$2,500 to open a 4 year CD and a 59 Month CD. Must have a checking relationship or new money. No additional deposits allowed. Special rate effective November 1, 2022 through November 30, 2022.
