

The Chetek Alert Better than finding a Medallion!

These 10 Lures have been hidden in Chetek. Each lure found makes you eligible to win \$200 in merchandise at KJ's Market. Lures can be found starting Aug. 30, 2023

Winners will need to be present at Harvest Fest on Saturday, Sept. 9, at 3 p.m. at the City Park Pavilion with your lure. A drawing will be held to see who wins!

The Lures are yours to keep, but must be brought to drawing to win.

Lures will only be hidden in the 54728 Zip Code. They will not be hidden inside any business.

You will not need to dig or disrupt anything to find the lure.

Be careful! They are very sharp.

If you find a lure, contact The Chetek Alert to let us know which lure you found. 715-924-4118

Clues will be published on Sept. 6 if the lures have not been found.
