Vikings hold off Eagles

MH-B gets the better of pesky Sauk

by **DAN LARSON**
Sports Reporter

PRAIRIE DU SAC — Big plays and a big stop.

That was the recipe. And the result was an appetizing one for Mount Horeb/Barneveld's football team.

Two long catches by Landon Ellestad set up the Vikings' first two scores, they turned Sauk Prairie away in the red zone early in the fourth quarter to protect a five-point lead and then they feasted.

Ellestad reeled in a 32-yard touchdown on the ensuing drive, Mason Weaver returned his own strip sack 15 yards to paydirt for the dagger and MH-B left town with a 33-14, Badger Small Conference victory over the Eagles last Friday at Sauk Prairie High School.

"We had to step up — and we did," said Ellestad, the Vikings' 5-foot-10, 150-pound speedster who had eight catches for 177 yards. "The second and third quarter were a little iffy, but in the fourth quarter we clutched up."

The Vikings (3-1, 2-0 in conference) sure did.

And it all started with that big red zone stop.

Sauk Prairie (1-3, 0-2) was gaining steam and gaining steam fast, having pulled within 19-14 on a Jackson Breunig-to-

Girls spikers fare well at Middleton

Vikings win Silver bracket

by **ROB REISCHEL**
Sports Editor

Kurt Owen knows to be the best, you need to beat the best.

That's why Mount Horeb's girls volleyball coach loads up the Vikings' schedule every season.

On Saturday, Mount Horeb faced one of its toughest tests of the year when it traveled to the star-studded Middleton Invite. And while Owen and the Vikings hoped for more, they still went 3-2 overall and finished first in the Silver Bracket.

"We had high hopes for this invite," Owen said. "I thought

we could make a run to win it, but looked tired and unmotivated during pool play and dropped a couple matches that I thought we should have won.

"We needed to finish in the top-two in our four-team pool to make it to the Gold Bracket and a chance to win (the tournament). Instead, we finished third and dropped to the Silver Bracket."

Here's a recap of the Vikings' day.

Vikings' runners 7th at River Valley

Stoddard takes first, Sadler second

by **ROB REISCHEL**
Sports Editor

Mount Horeb's boys and girls cross country teams both finished in seventh place at the 19-team River Valley Invite last Saturday.

Vikings' senior Joseph Stoddard won the boys race, finishing the 5,000-meter run in 15 minutes, 46.9 seconds. Junior Marc Pipp was 34th (18:20.2), senior Owen Rathje was 35th (18:21.6), senior Jacob Piper was 67th (19:14.0) and junior James Fountas was 82nd (19:45.3).

"Joseph Stoddard ran probably the most impressive race I've seen from a Mount Horeb boy since I've been head coach," Vikings coach Brian McIntyre said.

Madison West won the boys' race with 37 points. Madison La Follette (92), McFarland (130), Sun Prairie East (144) and DeForest (154) rounded out the top five.

Mount Horeb finished with 219 points.

"Overall a solid effort in a pretty competitive field," McIntyre said. "Of the teams that are in the Badger West Conference, we were the top finishing team. Of the teams that are in our sectional, we were third."

"It will continue to come down to how close can our No. 2 and 3 runners get to the front of the race and how much of a gap can our No. 4 and 5 eliminate between our No. 2 and 3."

Madison West also won the girls' race with 74 points, while Dodgeville/Mineral Point (84), Waunakee (85), New Glarus/Monticello (119) and Monroe (157) rounded out the top five.

Mount Horeb finished with 175 points.

Vikings' junior Abigail

Mount Horeb's Joseph Stoddard finished first at the River Valley Invite last Saturday. Photo submitted

Sadler led the way with a second place finish, completing the race in 19:07.0.

"Abby Sadler had an extremely good effort for her first race of the season," McIntyre said.

Sophomore Katherine Straka was 24th (21:18.0), senior Sydney Buttner was 47th (22:18.5),

freshman Lily Wahl was 48th (22:19.2) and senior Grace Nelson was 54th (22:30.2).

"Of the teams that are in the Badger West Conference, we were the second place finishing team," McIntyre said. "Of the teams that are in our Sectional, we were the fourth place finishing team."

"We need to get our No. 2 and 3 runners together, and up closer to the front of the race. We need our No. 4-7 runners together and eliminating as much time between them and our No. 2 and 3 runners. We will continue to train smart and hopefully keep improving every week."

Swimmers toppled by Sauk Prairie

by **ROB REISCHEL**
Sports Editor

Mount Horeb's girls swimming and diving team was edged by Sauk Prairie, 101.50-68.50 last Thursday.

"It was a great meet against Sauk," Mount Horeb coach Bree Parent said. "This week was challenging with the start of school and changing of schedules. The girls have been working really hard at building endurance at practices, and thinking about technique during races."

The Vikings' 200-yard medley relay team of Ava Newman, Piper McMahan, Caitlin Patrick-Stern and Emmy Bennin was second. Mount Horeb's 200-yard freestyle relay team of Newman, Siobhan Mertz, Patrick-Stern and Emmy Bennin was second.

And the Vikings' 400-yard freestyle relay team of Perri McMahan, Sam Hanson, Payton Almquist and Piper McMa-

han was also second. Bennin won the 50-yard freestyle and Nina Paterson was fourth. Patrick-Stern won the 100-yard butterfly and Hanson was fourth.

Newman was second in the 200-yard freestyle, while Mertz was fourth and Almquist was fifth. Patrick-Stern was second in the 200-yard IM and Perri McMahan was third.

Bennin was second in the 100-yard freestyle and Almquist was third. Newman was second in the 50-yard freestyle and Hanson was third.

Perri McMahan was third in the 100-yard backstroke and Mertz was fourth. And Bridget Drapp was second in the 100-yard breaststroke and Piper McMahan was fourth.

"We took many second and third places, which I was proud to see," Parent said. "Sauk was a fantastic host in their new pool, and it will be exciting to see them again during our last few meets of the season."

Learning from losses

Mount Horeb's boys soccer team hopes setbacks will make them stronger

by **ROB REISCHEL**
Sports Editor

Mount Horeb boys soccer coach John Malecki believes high school sports are much like the classroom.

They're constant learning experiences.

Last week, Malecki's Vikings learned plenty.

Mount Horeb fell to Monona Grove, 9-0, on Sept. 6. Oregon then defeated the Vikings, 4-0, on Sept. 8.

Mount Horeb fell to 1-3-0 on the young season.

"High school sports are an extension of the school day and therefore a learning process," Malecki said. "We learned a lot last week."

The Silver Eagles dominated the Vikings throughout and handed Mount Horeb its worst defeat in recent memory.

But Malecki liked how his team rebounded against an Oregon side that won the WIAA Division 2 state championship last year.

"The team showed great resilience and a willingness to re-evaluate our level of intensity and focus," Malecki said. "The team worked hard (before Oregon) to work on the defensive aspects of the game that have to improve if the team is to progress."

"Although Thursday was again a loss, the shape and effort of the team was much improved. The coaching staff also has a better understanding of the team when you see how they react to such difficult situations.

"The energy and attitude versus Oregon was much improved. There is still much to be learned during this season, but in the end that's the purpose of education."

• **On deck:** Mount Horeb was at Sauk Prairie Tuesday, then travels to Milton Thursday at 7 p.m. The Vikings are then at Sugar River Saturday at 4:45 p.m.

Golfers set new school record in loss

by **ROB REISCHEL**
Sports Editor

Nolan Krentz said it best.

Mount Horeb's girls golf coach was thrilled his Vikings set a new school-record when they shot a 183 on Sept. 8 at Norsk Golf Club. Unfortunately for Mount Horeb, visiting Oregon one-upped the Vikings and carded a 165.

"Unfortunately, there's no defense in golf," Krentz said.

Still, it was a memorable day for the Vikings.

Senior Kate Donaldson led Mount Horeb with 43, making pars at No. 1 and 4 to go

with seven bogeys. Junior Ella Fager made a birdie at the par-3, fifth hole and finished with a 45.

Senior Gwen Mahoney added a 46 and sophomore Emma Olsen came in with a round of 49. Mahoney made a par at No. 5, while Olsen recorded pars on both the eighth and ninth holes.

"Prior to our round, we talked as a team that while we were playing Oregon, our main opponent was the course (Norsk) itself," Krentz said. "Our goal was to shoot 185 or better as a team and not only did we do that, but we shot the

lowest nine-hole team score in program history, as well.

"We had three players (Kate, Gwen, and Emma) post their best competitive nine-hole scores, which really helped."

Oregon, which is tied for the Badger West Conference lead at 3-0, had the top three scores of the day. Delainey Halverson shot a 38, Drew Hoffer carded a 39, and Addison Sabel added a 41.

The Vikings fell to 1-3 in league matches, but had nothing to hang their heads about.

"Oregon was able to take advantage of the ideal scoring

conditions, too," Krentz said. "They are right there with Reedsburg at the top of the conference standings and certainly proved that with their performance.

"However, we have nothing to be disappointed about and hopefully are able to keep the momentum going as we enter the stretch run of the season. We have one more conference dual left to play and then it's our conference tournament, so this is the time of the year we want to be playing our best golf as a team."

SPIKERS

continued from page 10

lied for a 22-25, 25-21, 15-12 win.

“This match is going to haunt me all season,” Owen said. “I don’t know if it was because it was an 8 a.m. match, but we did not come to play. There were weaknesses that we should have been able to take advantage of, but collapsed with 10 serving errors, only two more kills than hitting errors, and struggled mightily in serve-serve.”

Lexi Arneson finished with eight kills, while Sami Norton had 22 assists, seven aces and three digs. Jayse Holman had seven kills and Maliya Kopras added five kills, while Addison Anderson had five digs and two aces.

Kennedy Myers had eight digs and two aces, Ruby Dahlk had three digs and two aces, and Andie Moore added two aces.

The Vikings had a whopping 16 aces, but couldn’t overcome their service errors.

“I would not have thought it was possible to lose a three-set match with 16 aces,” Owen said. “More than a 25% of our serves were aces, but also 20% of our serves were errors.”

“Sami (Norton) was outstanding serving with seven aces and no errors for the match. Unfortunately, the rest of the team served 59%. Lexi Arneson had a nice match attacking the ball to lead the team with eight kills and led our team in hitting percentage.”

• Mount Horeb 2, Wisconsin Heights 0 — The Vikings rebounded with a 25-19, 25-11 win over the Vanguards.

Holman had a huge match with seven kills, while Norton had 12 assists. Arneson added four kills, Ellie Hefty had four assists, and both Olivia Schrank and Dahlk had seven digs.

“We got back on track with our serving and hitting efficiency to beat Heights for the second time this season,” Owen said. “Historically, the winner of the match against them at the Monroe Invite typically loses this rematch. We got it done in both matches this year.”

• Aquinas 2, Mount Horeb 1 — The Vikings suffered a disappointing three-set loss that sent them to the Silver Bracket.

“We needed to win this match to make it to the Gold Bracket,” Owen said. “We played very well in the first set, but seemed to lose confidence in the last two and dropped the match. Aquinas was a solid team, but I’d like to think our first set was a better representation of who we are as a team

than the last two. Aquinas went on to win the tournament, so I guess there is a little consolation there knowing that our goal to win the tournament was reasonable.”

Maliya Kopras had a solid match with eight kills and led the Vikings in hitting efficiency. Dahlk had eight kills and four digs and Norton had 24 assists.

Holman had six kills, Myers added eight digs and Thompson had three kills.

• Mount Horeb 2, Madison West 1 — The Vikings rallied for a 19-25, 25-22, 15-4 win.

Norton had 17 assists, while Holman, Dahlk and Kopras all had six kills. Myers had eight digs and four aces, Hefty had seven assists and eight digs, Anderson had four digs and three aces, and Schrank added five digs.

“With dropping to the Silver Bracket we knew we wanted to finish the day strong and had a great opportunity to do so,” Owen said. “Unfortunately, we didn’t look much better in the first set of this match than we did in the other matches we lost. We looked worn down and uninspired.

“We turned it around in the second and third sets and started looking like ourselves again. The team did it on their own too. I stopped talking and let them figure it out for themselves and they responded. Something clicked and we finished the day like we wanted to.”

• Mount Horeb 2, Tomah 0 — The Vikings notched a 25-22, 25-20 and captured the Silver Bracket championship.

“Tomah is a very solid team,” Owen said. “Similar to us, I think they could have been in the Gold Bracket themselves and were better than a couple of the teams that made it. I’m glad it wasn’t an easy opponent. We had to earn this one and we did.”

Holman had seven kills, while Norton had 14 assists. Katie Manchester had four kills and 1.5 blocks, while Morgan Monroe had four kills.

Addison Anderson had six digs and two aces, and Myers added 11 digs.

“Overall, I thought the day was a bit disappointing, but there were some positives,” Owen said. “Finishing the day on a high note against a solid team was nice. We got a lot of players in throughout the day and not just against weaker opponents. Bench players getting game experience against good opponents when the match is on the line is invaluable and gives the coaching staff confidence when making adjustments. We also know we need to put a re-

Kennedy Myers and Mount Horeb’s girls volleyball team went 3-2 overall at the Middleton Invite last Saturday. News Publishing Co. photo by Mary Langenfeld

newed focus into our serving and passing.”

BADGER CONFERENCE
• Mount Horeb 3, Portage 0 — The Vikings cruised to a 25-17, 25-12, 25-20 win last Thursday.

“We hadn’t played a match in nine days, so we weren’t as sharp as I would have hoped,” Owen said.

Mount Horeb led, 14-13, in the first set, but finished on an 11-4 run. The Vikings controlled the second set from start to finish, then turned the third set over to their reserves.

“We got it done against an improved Portage team, but we will need to be more consistent serving, passing, and hitting if

we want to compete with the top of the conference,” Owen said.

Holman led the Vikings with six kills and 1.5 blocks, while Norton had 20 assists, three aces and four digs. Dahlk had five kills, while Arneson and Kopras both had four kills.

Anderson had nine digs, while Myers added five digs and three aces. Hefty had four digs and two aces, Manchester had two blocks and Schrank had two aces.

“Ruby Dahlk was strong for us at the net with five kills and no errors,” Owen said. “Addison Anderson was all over the court defensively and led the team with nine digs. Addison has been doing a great job

for us in the back row the last couple weeks. She’s getting to the right spot, reading the hitter, and making some nice plays.

“Outside hitter Maliya Kopras (a four-year varsity performer) returned to the lineup for the first time this season. She has some rust to work through, but showed flashes of what she can bring to our attack.”

• On deck: Mount Horeb was at Baraboo, then hosts No. 1 Sauk Prairie Thursday at 7

p.m. The Vikings then host their own invite Saturday beginning at 8:30 a.m.

“We have a huge week ahead of us with two conference matches and a showdown with Sauk Prairie,” Owen said. “I’d really like to see us compete well against Sauk and make that a good match. Winning our Mount Horeb Invite on Saturday is a very reasonable goal too.”

MH-B

continued from page 10

Derek Hilden 11-yard TD strike on a swing pass to the right flat. That score was set up by Boden Frosch's 40-yard catch on third-and-15 with 5 minutes, 56 seconds remaining in the third quarter, followed by a fourth-down stop to get the ball back near midfield.

But after putting together a promising drive, things fizzled out and Breunig's pass attempt on fourth-and-five from MH-B's 9-yard line fell incomplete on the first play of the fourth quarter.

Ellestad, also a defensive back, credited his team's defensive line for pressuring Breunig into a hurried, off-the-mark throw.

And the Vikings would capitalize.

Ellestad made a tip-toe catch along the left sideline for 25 yards on third-and-10, he made another one for 18 yards on third-and-seven and then he made the biggest one of the night for 32 yards on third-and-7, that one going all the way to the house past broken coverage.

"The cornerback and the linebacker, they both bailed because I went to fake block. And then I was wide open," Ellestad said of deking like it was a run play. "(Quarterback) Kasey (Helgeson) put a really good ball on it. We made plays when we needed to make plays."

Sauk Prairie, on the other hand, did not.

"That was a killer. That was the game right there," Eagles coach Randy Wallace said. "We don't get that touchdown down there and then they come back and go 90 yards on us, and we gave up (three) big third downs plays on that drive. That was the ball game right there."

Compounding matters, Sauk Prairie fumbled away its chance

at a comeback on the very first play of the ensuing drive, the ball landing in the waiting arms of senior linebacker Mason Weaver who then raced 15 yards for the score.

Moments later, on the sideline, Weaver still couldn't believe it, telling his teammates as they congratulated him, "I don't know what I just did!"

"I blitzed, did my normal job, and he fumbled it," Weaver said. "I guess I like ripped it out while it was in the air? I don't know, it happened so fast."

So it kind of happened by accident then?

"Yeah, basically," he said. "I looked at (the ball) when I scored and I was like, 'Oh.' I was surprised."

While the ball did bounce just right for Weaver to come away with it, what happened to cause the fumble was no accident.

It was an athlete making a big play.

"He's tough on the edge," MH-B coach Bret St. Arnauld said. "The thing is, he doesn't look like he's going to be that much of a load. Even though he's only 165, his speed makes him feel like he's 195. He's really tough to block because he's so fast, and he gets so low on that dip and rip that it's tough for linemen, especially late in the game when they get tired, to get on that block."

Weaver's speed — he runs between a 4.4 and 4.5 40-yard dash — coupled with his strength make him the kind of edge rusher that can get the job done in a variety of ways.

"He's just a great playmaker," St. Arnauld said. "That's what he does. He causes mayhem in the backfield."

The game started in opposite fashion as how it ended, with Sauk Prairie setting the tone with a game-opening 76-yard scoring drive capped by Connor Breunig's 26-yard TD catch

Trenton Owens and Mount Horeb-Barneveld's football team toppled Sauk Prairie, 33-14, last Friday. News Publishing Co. photo by Mary Langenfeld

from Jackson Breunig for a 7-0 lead with 2:59 gone by.

"Kids believing that they could accomplish what we set out to do," Wallace said. "We made a couple key plays. I think we had them on their heels right away, some things they maybe weren't ready for."

Sauk Prairie converted two third downs on that drive, including on third-and-10 when Jackson Breunig hit Frosch for 37 yards one play before Connor Breunig's TD catch.

But MH-B answered, with a 24-yard catch and run by run-

ning back Tyler Buechner followed by a 30-yard catch by Ellestad moving the sticks and helping pave the way for Helgeson's 4-yard TD dash on a keeper up the middle, tying the game at 7.

"It was nice to see us respond that way. The kids are tough mentally," St. Arnauld said. "They stacked the box, brought a lot of guys, so there wasn't a lot of running room. They were giving up a lot of passes, a lot of room, and I liked our athletes in space. If they weren't going to get home with their blitzes, we were going to have things open."

St. Arnauld speculated that

perhaps the reason for Sauk Prairie crowding the line of scrimmage was because in MH-B's win last year, the Vikings utilized a number of outside zone running plays to move the ball.

MH-B forced Sauk Prairie to punt on the next possession and then got right back to work. A reverse pass from wide receiver Ethan Tranel back to Helgeson for 24 yards converted a third-and-10 and three plays later Ellestad converted another third down, racing up the right hash marks for a 48-yard catch before getting tripped up at the 2-yard-line.

It didn't matter much in the

end, though, as junior running back Trenton Owens scooted in for a TD on the very next play, making it 13-7 before the extra point failed.

The Vikings got a fourth-down stop on Sauk Prairie's next possession and ultimately turned it into a 16-yard Helgeson-to-Tranel TD strike for a third unanswered score, making it 19-7 with 7:11 remaining in the first half.

It remained that way at half-time, even though MH-B outgained the Eagles, 270-70.

This year's contest between the two was much more competitive than last year's 33-0 win for MH-B. Sauk Prairie is now 1-3, but with a minus-21 difference in total points, meaning the Eagles are better than

PUBLIC NOTICE

Pursuant to NR 1.02(7)(c), Wisconsin Administrative Code, the Department of Natural Resources gives public notice of the classification of 3.45 miles of Bohn Creek, in Dane County as a Class 1 Trout water. The entire stream length of Bohn Creek to be classified is located in the towns of Blue Mounds and Vermont (T6, R6E, Sects. 9, 4, 3 & T7, R6E, Sects. 34 & 27) beginning at confluence with Elvers Creek east of Bohn Road (43.04680N, -89.77945W) upstream to the headwaters near HWY 1D (43.00982N, -89.78832W).

This classification is based upon a survey which indicates Bohn Creek contains a self-sustaining population of trout. Such streams contain trout spawning habitat and naturally produced fry, fingerling, and yearling in sufficient numbers to utilize the trout habitat; or contains trout with two or more age groups, above the age of one year, and natural reproduction and survival of wild fish in sufficient numbers to utilize the available trout habitat and to sustain the fishery without stocking.

The Department shall waive any hearing requirement on this classification unless a written request for hearing is received October 1, 2022. Requests should be sent to:

ATTN: Dan Oele

their record indicates.

"If we're being honest, it's the little things that are hurting us," Wallace said. "We're making the penalties at the wrong time, a personal foul here or giving up a sack there. It's just the little mental things that we've got to continue to work on and clean up.

"I know we're a talented team and it's just a matter of putting it together and playing our best football. We've had glimpses of it but we haven't put it together for a whole four quarters."

And St. Arnauld knows that.

Which is why he knows, in some ways anyway, his team

was fortunate to come away victorious.

"Sometimes," he said, "you've got to gut wins out."
