

Lublin Days 2023

Take beautiful summer weather, add some good food, great music and a healthy dash of Polish heritage and you have the recipe for a successful Lublin Days celebration.

The theme for this year's Lublin Days Festival was "Remembering the Good Old Days."

An estimated 700 people came out Sunday afternoon for the charcoal chicken dinner hosted by Lublin American Legion Post 547 with a large crowd lining the streets for the annual parade. On the ball diamond, players kept the action lively and at dusk there were fireworks by Connell's Combustibles.

On Sunday afternoon, Cynor Classics had the dance floor in the pavilion packed for traditional polkas. Lublin Days 2023 marked 30 years that Cynor Classics has performed at the festival. Band members were presented with specially decorated cakes in honor of the milestone anniversary.
