# MHS leaves Eagles in a Cheese daze

Cheesemakers run for school record 540 yards in 53-15 stomping

By Adam Krebs  
editor@themonroetimes.com

MONROE — The Cheesemakers set out to not just score a win in Week 5 against Jefferson, they wanted to open things up for senior running back Keatin Sweeney. An all-state rusher a year ago, Sweeney had been kept away from big games through the first four weeks of this season.

“From week to week, teams have had philosophies on how to defend us,” Monroe coach Toby Golembiewski said after his team’s 53-15 thumping of the Eagles Sept. 16. “You can stop some of the things some of the time, but you can’t stop all of the things all of the time. Some weeks it’s going to be a fullback game, and some weeks it’s going to be a halfback game.”

In the first four weeks of the year, Monroe has used three different backs on the right side, a mix of injuries and splitting time for two-way players. Sweeney, the left side back and in his third year starting on varsity, has helped seal the edge for those three backs: Ben Gatdula, Kaden Kuester and Tucker Markham. That blocking help hasn’t always been returned, and this past week in practice, Golembiewski made sure the team understood their assignments, which would allow a big game from Sweeney.

The entire team responded and rallied around their speedy back, who finished the contest with 202 yards and four touchdowns on just 12 carries.

Monroe’s Jordan Klocke (52) and James Seagreaves stretch out to block a pass thrown by Jefferson’s Gareth Whitstone (12). The Cheesemakers held Whitstone to just 7 of 23 passing for 88 yards, and interception and a lost fumble. The 53-15 win came on the first home game on Cheese Days weekend since 2008 for Monroe.

“Gatdula was our guy in two-a-days. Tucker and Kuester hadn’t gotten nearly as many reps. Knowing that those guys were going to get their blocks down, it was time for Keatin to feast. He had been putting those guys on his back the last couple of games,” Golembiewski said. In the three games since Gatdula’s Week 2 injury, Kuester and Markham combined for 387 yards and nine TDs. Sweeney meanwhile had 156 yards. “I’m glad that worked out for him.”

In fact, overall it was record-setting for the Cheesemakers, which ran for what is believed to be a program-high 540 yards total, averaging about 15 yards per carry. The state record for a sin-

gle game is 737, set by Ozaukee in 2011. In fact, the Cheesemakers ran for 194 yards and three touchdowns on their first six carries.

A season ago, Jefferson focused on a heavy running offense, which took them as far as Level 3 of the playoffs, only for Monroe to knock them out of the tournament. The Eagles then graduated the bulk of their roster, and a new coaching staff came in, opting to change the offensive direction to a more spread-out passing scheme, which has taken time to click.

In this meeting, Monroe wasted no time getting to the point. Jefferson’s opening kick return went to just the 16-yard-line, and three-straight incompletions led to a punt. On his first carry of the game,

Sweeney followed his blockers to the edge and darted 48 yards up the field for a first down. He had a 3-yard run on the next play, and then on second down, fullback Alex Hernandez went untouched up the middle for a 21-yard score, with just 1:39 gone from the clock.

On Jefferson’s next drive, Charlie Wiegel had a big sack, and the Eagles punted again after another 3-and-out. Monroe took over at its own 49, and Sweeney ran untouched for a 51-yard score on the first snap, putting the Cheesemakers ahead 14-0 at the 8:20 mark.

The Eagles then picked up two first downs on their next drive, but Monroe still ended up forcing another punt. Monroe’s first play? Kaden Kuester to the left side for 55 yards.

The second play? Sweeney touchdown from 17 yards out — 21-0.

“Everyone knew that I was overdue for a big game, and the line knew it was my time. Like always, it was wide open. I wasn’t getting touched on a couple of those plays. They blocked great. It was all because of them,” Sweeney said.

The ensuing kickoff was shanked, however the Jefferson up-man misplayed the ball, and Monroe recovered the inadvertent onside kick at the Jefferson 33. Three plays later, Hernandez scored on a 25-yard run, making it 28-0 with 1:23 left in the opening quarter.

The Eagles finally found success on their fourth possession, as Drew

# Warriors top SW/ED, await showdown with RR

By Thomas Gunnell  
Darlington Republican Journal

CUBA CITY — The Homecoming celebration started off early for Black Hawk/Warren on Saturday afternoon.

The Division 7 #5-ranked Warriors ripped off long touchdowns runs on their first three possessions to rush out to a 24-0 lead, and then put on the cruise control from there en route to a 32-12 victory over the Southwestern/East Dubuque WarBirds in their Six Rivers Conference opener at Murphy Field on Sept. 17.

“I told the boys after the game, ‘Happy, but not satisfied’, and then I explained that I was happy with the result, but not satisfied with the way we played. We played very well at times, but we were not consistent with our play, especially late in the game,” said Warriors’ head coach Desie Breadon.

The Warriors (4-1 overall, 1-0 SRC) started their first drive from their own 2-yard line but quickly made their way up the field, covering the 98 yards in just seven plays to pull in front to stay. Senior quarterback Reed McNutt capped the drive with a 42-yard scamper and senior Lucas added the two-point conversion to make it 8-0 with 7:17 left in the opening quarter.

Senior Landen Mahoney broke loose for a 54-yard scoring jaunt with just under three minutes remaining in the opening quarter, while Milz reeled off a 30-yard TD

run on the opening play of the second quarter to put the Warriors ahead 24-0. Mahoney added a two-run following his score, and McNutt completed a conversion pass to senior Seth Dunlavey after Milz’s run.

After rolling up 234 yards on their first three drives— all on the ground except for two 15-yard penalties on the WarCats, the Warriors were held to 137 yards on their final seven possessions, including 93 total yards on five second-half drives as SWED sold out to stop the run and also kept their passing in check.

“(They are) a good team and well coached. We knew it was going to be a traditional smash-mouth football type of game, which is what we like,” Breadon stated.

The WarCats (3-2, 0-1) put together just two sustained drives on offense all day— one in each half— and capped each one with a touchdown pass from senior QB Parker Shireman. Junior Wyatt Kruser hauled in a 30-yard scoring strike from Shireman with 7:35 to go in the first half to put the guests on the scoreboard, and sophomore Brody Culbertson gathered in a 19-yard TD catch between a pair of Warrior defenders with 9:15 remaining to close the scoring in the game.

The WarCats gained 119 of their 158 total yards on those two scoring drives, but were held without a first down on six of their other eight possessions.

in the second half came two plays after freshman Jeremiah Collins recovered a fumble to the WarCats’ 24. Dunlavey had a 23-yard catch to get the hosts down to the 1, and McNutt punched it in from there to put the Warriors up 32-6 with 2:16 to go in the third quarter.

“Overall, we played pretty well on defense and played good offense in the first half,” commented Breadon. “We have the meat of our schedule the next couple of weeks, so there is no time for let down. We need to keep improving daily and not take any steps back.”

Mahoney led a balanced rushing attack with 130 yards and a score of 18 carries. Milz chipped in with 114 yards on 16 carries with a TD,

and McNutt ran nine times for 90 yards and two scores while also completing 4-of-8 passes for 41 yards.

Shireman connected on 7-of-16 passing attempts for 82 yards and two scores. Culbertson led the WarCats with two catches for 44 yards and a TD, and Kruser added one catch for 30 yards and a TD.

The guests finished with 76 yards with sophomore Evan Mead toting the ball 16 times for 56 yards to lead the way.

The Warriors travel to Patch Grove on Friday, Sept. 23, to take on the unbeaten and D7 #10-ranked River Ridge Timberwolves (5-0, 1-0) in a Six Rivers clash. Kickoff is set for 7 p.m.

ORFORDVILLE — In a matchup of programs going in two different directions, the fourth-ranked Darlington Redbirds cruised to a quick, methodical victory over the rebuilding Parkview-Albany Vikings in Week 5, winning by a rare blowout mark of 87-0.

Darlington scored three touchdowns in the first quarter, and tacked on seven more in the second to go ahead 73-0 at halftime.

Eight different Redbirds had rushing touchdowns. Cadyn Burbach completed two passes — both first-quarter touchdowns — for 77 yards. Will Murray had a 59-yard TD catch, and Carver Fitzsimons added one from 11 yards out. Breylin Goebel also had a 16-yard TD run in the first.

Talan Crist had two TD runs in the second quarter, while Tye Crist, Ross Crist, Connor Larson and Maddox Goebel all had a TD run. Taggart Gille had a TD run in the third and Isaac Christ added a 37-yard score in the fourth.

Darlington had 377 yards on 31 carries, and 447 yards on 33 total plays of offense. The Redbirds forced one fumble and an interception.

In Week 5, Darlington (4-1, 3-0 SWAL) hosts Mineral Point (2-3, 2-1). Meanwhile, Parkview-Albany (0-5, 0-3) will try to find better luck against another winless team, Cuba City (0-5, 0-3).

**LAKESIDE LUTHERAN 52, NEW GLARUS 21**

NEW GLARUS — After a scoreless first quarter, Lakeside Lutheran broke free for 17 points in the second, including hitting a 25-yard field goal with three seconds left before halftime of their Week 5 game Sept. 16.

In the third, New Glarus-Monticello was outscored 28-8, putting on the running clock with 1:01 left in the frame. Max Marty hit AC Strok for an 85-yard TD pass at the 5:56 mark for the Knights' first score. Marty ran forward for a 1-yard score at the 8:52 mark of the fourth quarter to turn off the running clock, making it 45-15. LL scored again with 5:16 left. Four minutes later, Matt Roth hit Andrew

Sarbacker for a 12-yard TD.

Jackson Eyer led the Knights with 41 rushing yards. Marty was 22 of 34 passing for 328 yards. Strok had four catches for 99 yards. Ethan Friedrich finished with 121 yards on 11 grabs, while Cade Thayer hauled in four passes for 94 yards.

The Knights are 0-5 on the season and 0-3 in the Capitol. They will have to win out to guarantee a spot in the postseason. In Week 6, New Glarus-Monticello travels to Lake Mills (3-2, 1-2).

**RIVER RIDGE 47, PECATONICA-ARGYLE 7**

PATCH GROVE — The Vikings fell behind 21-0 after the first quarter and 41-0 by halftime of their Six Rivers game Sept. 16 in Week 5.

The Wildcats had over 350 yards of offense, including 264 on the ground on 33 total carries. Nine players ran the ball.

The loss guarantees Pecatonica-Argyle to finish below .500 on the regular season. Next week the Vikings host Potosi-Cassville on Saturday, Sept. 24.

Also in Week 5, Brodhead-Juda (5-0, 3-0 SWC) defeated River Valley (0-5, 0-3) 41-0. The Cardinals host Dodgeville (3-2, 1-2) on Saturday, Sept. 24 at 1 p.m.

# WIAA board approves change in hockey venue

STEVENS POINT — The Wisconsin Interscholastic Athletic Association Board of Control voted to support an Executive Staff recommendation to relocate the State Boys and Girls Hockey Tournaments to Bob Suter's Capitol Ice Arena in Middleton, and approved a limited number of action items on its Sept. 16 meeting agenda.

"We are excited about the opportunity to host the upcoming WIAA Boys and Girls State Hockey Championships at Bob Suter's Capitol Ice Arena," WIAA Assistant Director LeVar Ridgeway said. "With the move, we look forward to creating a great State championship atmosphere for our student-athletes, coaches and fans in a hockey-centric facility."

The WIAA and Bob Suter's Capitol Ice Arena agreed to a two-year term, effective for the State Tournaments scheduled Thursday-Saturday, March 2-4, 2023. Built in 1999, the venue received a multi-million dollar renovation in 2018 that added significant amenities and upgrades. The facility is equipped with two full sheets of ice with seating for 2,611 spectators, a state-of-the-art sound system, scoreboard and a high-definition video board.

The arena also has a media broadcasting booth, eight public locker rooms, six public bathrooms, and one family restroom. It is the current home for the USHL Madison Capitols and Madison Capitols AAA hockey.

"We are thrilled to be hosting the

WIAA State Tournaments for the next two years," Bob Suter's Capitol Ice Arena President Ryan Suter said. "We are thankful to the WIAA for entrusting us with this historic event and believe our venue will provide an incredible atmosphere for the players and fans. We look forward to working with the WIAA and the City of Middleton to host this event and crown State champions."

The Boys State Hockey Tournament has been held at the Veterans Memorial Coliseum at the Alliant Energy Center since the inception of the event in 1971, with the exceptions of 1974 and 1975, and in 2021 during the COVID-19 pandemic. The Girls State Hockey Tournament has been held in conjunction with the boys tournament since the sport was added in 2002.

"The Wisconsin Hockey Coaches Association is excited about this option for the WIAA State Hockey Tournaments," President Brian Brandt said. "The WIAA and WHCA have worked collaboratively to give the best experience for our athletes and showcase their talents in an exciting environment."

This season's Boys and Girls State Hockey Tournaments are scheduled for Thursday-Saturday, March 2-4. The State Tournaments competition time scheduled will be slightly altered to accommodate the change in venue.

The Board reviewed and approved a non-football fast track conference realignment request moving Catholic Central to the Midwest Classic

Conference beginning in the 2023-24 school year.

Other action items approved by the Board include updates to the Executive Staff Handbook, new appointments to the Conference Realignment Task Force and an endorsement of a sports-related injury surveillance study funded by the National Federation of State High School Associations.

Following a presentation by Co-Founder Jody Redman of InSide Out Initiative, the Board supported a three-year partnership with the Green Bay Packers for the InSide Out Wisconsin Initiative. The program is intended to connect NFL teams with educational and athletic leadership associations to inspire and equip school leaders and communities to transform lives through purpose-based sports. The launch of the program is scheduled for Tuesday, Jan. 10, 2023, at Lambeau Field.

Among the reports presented by the Executive Staff to the Board were a review of the ongoing officials recruitment and retention efforts, recent Area Meetings, 2022-23 membership renewals and preparations for the fall Tournament Series.

The Board also received liaison reports from Paul Manriquez of the Department of Public Instruction, John Ashley of the Wisconsin Association of School Boards, Shawn Groshek of the Wisconsin Athletic Directors Association and Andy Engel of the Hamilton Consulting Group.

Peterson darted 65 yards on the second play for a TD. It was the first point allowed in nine quarters — actually, just 19 seconds shy of being 10-straight quarters.

Three plays into Monroe's next drive, on the first play of the second quarter, Sweeney scored again — this time from 52 yards away. Gavin Foulker picked off an Eagles pass on the next possession, but a rarity happened for the Cheesemakers. The offense went backwards for a possession, and for just the second time this season Monroe punted. The Cheesemakers would get the ball back just 2 1/2 minutes later at their own 27. A 7-play drive ended with Sweeney scoring for a fourth time in the game, making it 41-6. Jefferson would hit a 39-yard field goal to close out the half, bringing the score to 41-9.

Monroe had 353 rushing yards in the half, with Sweeney reaching 197, Kuester 85 and Hernandez 65.

The Cheesemakers also got the ball to start the second half. The starters stayed in for one possession to gain the running clock. Hernandez gained 37 yards on the first play to put him over the century mark, and Sweeney had another run to put him over 200. Junior quarterback Ethan Rosenstiel, filling in for injured starter George Brukwicki, capped the drive with a 3-yard option keeper. Jefferson fumbled away

the ball on their possession, with James Seagreaves recovering at the Monroe 25. Tucker Markham then followed a thunderous pancake block by Navy-commit Isaac Bunker for a 39-yard gain. On the next play, Brady Wyss blew past the defense for a 43-yard score.

Wyss had missed the first four games with an injury, but returned in Week 5, playing mostly defense. The score was a pivotal moment for him and the team — though it was sadly short-lived. Two plays into Jefferson's next possession, and the last play of the third quarter, Wyss tackled Peterson out of bounds, but stayed on the turf, suffering a severe lower-leg injury. He was taken off the field by EMS and is likely to miss the remainder of the season.

"I don't think Brady's coming back. We got three quarters out of him. But we'll get him back for next year," Golembiewski said. The Eagles scored two plays later on a pass to the outside — a spot normally occupied by Brukwicki or Wyss. Monroe's next possession took off 7 1/2 minutes off the clock, and ended with the Cheesemakers kneeling out the possession on four straight plays inside the Jefferson red zone, leaving 4:10 on the clock. The final clock ran out on Jefferson without another score.

Sweeney's big game nearly doubled his season total, bringing him up to 441 yards on just 49 carries (9.0 yards per carry). Hernandez (793, 9.7 ypc) leads the team in rushing, with Kuester (369, 12.3 ypc) third. Tucker

Markham (12.4 ypc) and Ben Gatdula (12.6), who is currently injured, have also gained big chunks this season for the Cheesemakers.

Monroe currently leads the state in rushing with 2,102 yards — almost 350 ahead of second-place Mukwonago and an average of 420.4 per game. The state record for rushing yards in a season was set by Owen-Withee in 2007 at 5,519, averaging more than 424 yards per game as a Division 6 school. Owen-Withee is now an 8-player football program.

Up next for Monroe is Rock Valley newcomer Delavan-Darien. Not much was known about the former Southern Lakes program. "They had been down for a few years, but now they have a quarterback who is very athletic and can throw it around a little bit. But he's also going to run, and he's given some teams some fits. We'll see who we have to work with and get prepped for him," Golembiewski

**"It's all about keeping that high-intensity in practice, because we have to be ready to play our best on Fridays."**

— Keatin Sweeney, Monroe senior

said. "As long as we put points on the board, we'll be fine."

Delavan-Darien was hammered 55-0 by McFarland in Week 5. Monroe blanked McFarland 36-0 in Week 3. "I think we're doing great. We're staying confident, we're not being cocky. We're just making sure we beat teams that we should and playing up to our level at all times," Sweeney said. "It's all about keeping that high-intensity in practice, because we have to be ready to play our best on Fridays."
