The Markham family sold the Register Print Center in October 2018, to two long-time employees, Barb Cook and Ed Mikkelson. Barb joined the company in 1980 and Ed joined it in 1977.

Kim Markham's grandparents, Dan S and Mary Markham purchased The Independent-Register in 1929. Their sons Danny Markham and Dick Markham purchased the business from their father Dan S Markham. Danny and Helen's son Kim Markham purchased the business Dec. 1, 1996, and sold The Independent-Register newspaper to Rock Valley Publishing in 2008 at which time the Markham's changed the business name to Register Print Center. Kim purchased Monroe Graphics from the Monroe Times in December 2015. UPS services were added in May 2016.

Kim and Kathy's daughter, Emily Broome worked in the business in high school and their other daughter, Angie Geiwitz was financial manager August 2009 to October 2018. Kim and Kathy's fifth-generation granddaughters also worked there on sidewalk days.

The Markham's would like to thank the community and customers for all the support they have received over the years.
