# Affordable Health Screenings Coming to Horicon

Residents living in and around the Horicon can learn about their risk for cardiovascular disease, osteoporosis, diabetes, and other chronic, serious conditions with affordable screenings by Life Line Screening. Horicon American Legion Post 157 will host this community event on April 12. The site is located at 735 S. Hubbard St. in Horicon.

- Screenings can check for:
- The level of plaque buildup in your arteries, related to risk for cardiovascular disease, stroke and overall vascular health.
  - HDL and LDL cholesterol levels.
  - Diabetes risk.
  - Bone density as a risk for possible osteoporosis.
  - Kidney and thyroid function, and more.

Screenings are affordable and convenient. Free parking is also available. Special package pricing starts at \$159, but consultants will work with interested individuals to create a package that is right based on age and risk factors. Call 877-237-1354 or visit [www.lifelinescreening.com](http://www.lifelinescreening.com). Pre-registration is required. Screenings are sponsored by Watertown Regional Medical Center.

## JOHN DEERE *from page 1*

most employees comfortable with onlookers over the years. “We are used to public tours, and we know how to accommodate and work around that.”

Ultimately, Southall agreed that John Deere was the perfect subject for the show’s concept.

“It fits well with [Magnolia’s] theme of extraordinary stories from ordinary things,” he said. “It’s an ordinary thing that people have to cut grass... but when it becomes a pride thing, it’s an extraordinary story.”

## DODGE COUNTY BOARD OF SUPERVISORS DISTRICT 9

### Andrew Johnson

#### Occupation

I have served as the county board supervisor for District 9 since being appointed to fill a vacancy in June 2021. I am also a student at Regent University in the Master of Arts program in government. My wife Laura and I owned and operated the *Mayville News/Horicon Reporter/Dodge County Pioneer* for more than 30 years before selling it in 2020. I currently serve as the Gold Star Memorial Trail Committee (Goldstar parent) chair for the Friends of Dodge County Parks.

#### Family Information

My wife of 35 years, Laura, and I have resided in Dodge County for over 32 years and the last 27 years in the Town of Hubbard. We are active in our church and enjoy camping, boating, gardening, and entertaining guests at our home. We have four adult children, one of whom is deceased, and two grandchildren.

#### Community Involvement

I have been a leader in the communities I have served and the newspaper media industry. Over my career, I have served as a board member and president of the following organizations: Mayville Chamber, Horicon Chamber, Main Street Mayville, Mayville Rotary Club, Wisconsin Newspaper Association (2010), and the National Newspaper Association (2019). My highest professional recognition was being inducted into the Wisconsin Newspaper Association Hall of Fame in November 2018. I was also named the Mayville Chamber’s Citizen of the Year in 2017.

#### Why are you running for office?

Dodge County is facing many current significant challenges. These include water quality, housing shortages, broadband infrastructure issues, labor shortages, and safety concerns related to the current conditions of county highways. As a supervisor, I have worked efficiently to fund essential county services within the county’s limited available resources with a long-term value perspective. I maintain a conservative approach to taxation and aim to provide needed county services that offer an excellent long-term value for citizens. I can help shape our county government to serve the citizens better. I am at a point in my life when I want to give back to the community that has been very good to my family and me.

#### What are your qualifications?

My primary qualification is experience. I have already served the people of Dodge County for several decades as a hometown newspaper publisher. I know many of the people in the community. I have participated in numerous groups personally and professionally over the years to make Dodge County a better place to live, work and play. As a newspaper publisher, I also had the opportunity to cover monthly county board meetings for over 10 years. Knowing how the county board works and history, including past successes and mistakes, is critical to getting any meaningful work done for the people. My community and professional newspaper industry experiences have enabled me to gain a perspective on the real issues and see all sides of those issues. Finally, my involvement in running a small local business gives me insight into working within limited available resources.

#### Why should people vote for you?

I believe county government can be good and can have a bright future. I think that the people living in our communities are worth fighting for and are valuable. I genuinely love Dodge County. Now is a time we need experienced and sound leaders that listen to the citizens. I believe I have the experience, perspective, and people connections to effectively serve the people of District 9 and the entire county. I am not associated with any group that has preconceived agendas. I am a proven, trusted person willing and ready to serve.

## DODGE COUNTY BOARD OF SUPERVISORS DISTRICT 9

### Ross Purdy

#### Occupation

Radiologic Technologist

#### Family Information

Widower, two grown children.

#### Why are you running for office?

Medical freedom. Putting the brakes on irresponsible spending. Transparency. Reducing the size of government.

#### What are your qualifications?

First foray into politics. But I know how to learn.

#### Why should people vote for you?

They should vote for me if they don’t want the government getting into their business and spending more of their money with no benefit to the taxpayer. Once a budget is planned, county departments must adhere to it.

## SCHOOL DISTRICT OF HORICON CANDIDATE PROFILE

### Jackie Vincent

#### Occupation

I am the Student Support and Campus Lead and Assistant to the Dean of Students at Moraine Park Technical College in West Bend.

#### Family Information

I have been married to my husband Shawn Vincent for 21 years. We are both graduates of Horicon High School (HHS), and we have three children. Our oldest son Austin graduated from HHS in 2021. Our son Payton is a junior, and our daughter Brittin is in fourth grade.

#### Community Involvement

I have been a booster club member since 2014 and have enjoyed many years attending meetings and helping in concession stands. I have also been active in the community attending sporting and other events.

#### Why are you running for office?

Being on the school board was always something I felt compelled to do. I was thankful to have the opportunity to become a school board member two years ago as I enjoy helping make decisions that can positively and fairly effect our children, staff and the community. It is my hope that I can continue to serve on the school board for years to come.

#### What are your qualifications?

I have lived in Horicon my entire life and truly want what is best for not only my own children, but all who attend the Horicon School District. Because I have worked within the technical college system for six years, I am able to bring my knowledge of higher education in relation to our students to the table.

#### Why should people vote for you?

I truly enjoy serving as a school board member and I believe in the absolute best public education possible for current and future students.
