# Banner welcomes Andrea Kyser to its staff

By JoDee Brooke

Andrea Kyser had been hired as a reporter for the Banner Journal. Kyser is no stranger to the area. A Jackson County native, she is a Black River Falls High School graduate and has served on both the Miss Jackson County and Miss Black River Falls courts.

This year, she was named the new program coordinator for the Miss Jackson County program and will be working closely with event scheduling for the court as well as other activities she knows from experience will keep court members busy.

A graduate of Chippewa Valley Technical College with a degree in Emergency medical services, Kyser is also the owner of Endless Memories photography. "I have always loved photography," shared Kyser. "I have always been interested in photography and the medical field. I started my photography business in 2019

and now have a studio in Black River Falls and am a lifestyle photography.”

She and her husband, Nicholas have a one-year-old daughter, Lexie.

“I love meeting new people and look forward to learning more about our community,” said Kyser. “Being familiar with the area since I’ve been involved here, I know the events that go on, and as a business owner, there are other aspects I can bring to the role.”
